

HUMAN SERVICES DEPARTMENT[441]

Adopted and Filed

Pursuant to the authority of Iowa Code section 249.3 and 2012 Iowa Acts, chapter 1133, section 18, the Department of Human Services amends Chapter 51, “Eligibility,” and Chapter 52, “Payment,” Iowa Administrative Code.

The purpose of these amendments is to implement cost-of-living increases to several State Supplementary Assistance program categories in accordance with 20 CFR 416.2095 and 416.2096 and 2012 Iowa Acts, chapter 1133, section 18, amending 2011 Iowa Acts, chapter 129, section 124, subsections 2 and 3.

Effective January 1, 2013, the Supplemental Security Income (SSI) benefit was increased according to the increase in the consumer price index from October 1, 2011, through September 30, 2012. The increase announced by the Social Security Administration is 1.7 percent. In order to comply with the federal maintenance-of-effort or “pass-along” requirement in calendar year 2013 using the payment levels method of compliance, Iowa must increase the payment amounts and income limits for each State Supplementary Assistance category (except In-Home Health-Related Care (IHHRC) provider rates and the Supplement for Medicare and Medicaid Eligibles) effective January 1, 2013, to equal the minimum levels required by the federal government. The minimum levels are increased each time the SSI benefit is increased. Compliance with the maintenance-of-effort requirement for state supplements is a condition of eligibility for state participation in the federal Medicaid program. Also, the Iowa General Assembly has directed the Department to increase the personal needs allowance of clients in the residential care facility program by the same percentage and at the same time as the SSI cost-of-living increase.

Notice of Intended Action for these amendments was published in the Iowa Administrative Bulletin as **ARC 0488C** on December 12, 2012, to allow for public comment. These amendments were also Adopted and Filed Emergency and published as **ARC 0489C** on the same date. The Department received no comments. These amendments are identical to those published under Notice and Adopted and Filed Emergency.

These amendments do not provide for waivers in specified situations since the increases are required by federal and state law.

After analysis and review of this rule making, no impact on jobs has been found.

These amendments are intended to implement Iowa Code section 249.3 and 2012 Iowa Acts, chapter 1133, section 18, amending 2011 Iowa Acts, chapter 129, section 124, subsections 2 and 3.

These amendments will become effective May 1, 2013, at which time the Adopted and Filed Emergency amendments are hereby rescinded.
